The Arkansas Environmental Federation (“AEF”) has scheduled its annual air seminar for April 12th in Little Rock, Arkansas.

The seminar will address a variety of regulatory, judicial and legislative developments associated with the federal and Arkansas air programs.

The seminar includes presentations by Arkansas Department of Environmental Quality personnel covering issues such as:

- Report from the Director’s Office
- Air Division Branch update
- Inspection/enforcement issues
- Permitting overview
- Stack testing

Mr. John Blevins of the Region 6 Office of the United States Environmental Protection Agency will provide a keynote address titled “Next Generation Compliance.”

Other presenters include industry environmental professionals and environmental consultants reviewing issues such as:

- Reporting and Recordkeeping
- Prescribed Burns and PM2.5
- Boiler MACT:2016 Action Items
- Handheld Technology for Environmental Compliance
- PSD, NAAQS and Modeling Updates

Mark Allison, Al Eckert and I will address a variety of judicial and administrative decisions affecting the federal and Arkansas air programs.

The seminar will be held at the Hilton Garden Inn.
