Mississippi Department of Environmental Quality Annual enHance Workshop: Environmental Policies, Planning Economics – April 21st

Arkansas Environmental, Energy, and Water Law Blog

03/18/2016

The annual Mississippi Department of Environmental Quality (“MDEQ”) enHance Workshop has been scheduled for April 21, 2016.

The workshop will be held at the Jackson Marriott in Jackson, Mississippi and the cost will be \$85.00 per person.

The topics will include:

- Overview of the Mississippi Department of Environmental Quality and Regulatory Update
- Mississippi’s Energy Outlook and Commitment to Affordable Energy
- Energy Opportunities with Entergy
- Plant Master Planning: Efficiency and Energy Case Studies
- The Kaizen Mindset
- Rankin County Energy Project
- High Voltage: A POWERful Case Study
- Continuous Improvement from Toyota
- Awards Luncheon

The MDEQ program is described as a voluntary initiative to recognize environmental leaders in Mississippi. These leaders are stated to reduce waste and inefficiencies from operations, resulting in environmental and economic benefits.
