Arkansas Department of Environmental Quality Air Division Permit Newsletter: March Edition

Arkansas Environmental, Energy, and Water Law Blog

The Arkansas Department of Environmental Quality ("ADEQ") has published the March edition of its *Air Division Permits* newsletter.

The newsletter is published as a component of the Office of Air Quality.

The newsletter addresses topics such as:

- Draft General Air Permit Renewals
- Hot Mix Asphalt Plants (noting various updates)
- Animal/Human Remains Crematories (references no substantial changes)
- PM2.5/Regulation Update
- Useful Links

Click here to download a copy of the newsletter.
