Arkansas Department of Environmental Quality ePortal System: Jessica Temple (Arkansas Department of Environmental Quality Office of Water Quality) Arkansas Water Works & Water Environment Association Conference Presentation

Arkansas Environmental, Energy, and Water Law Blog

06/23/2016

Arkansas Department of Environmental Quality ("ADEQ") Office of Water Quality Engineer Jessica Temple undertook a presentation at the Arkansas Water Works & Water Environment Association Conference titled *ADEQ ePortal System* ("Presentation").

Ms. Temple's presentation addressed a number of issues including:

- What is ePortal?
- Why ePortal?
- Currently in use for general water permit applications
- Registering
- Common form example
- Setting up a common form template
- Using organizations to find a form
- Form finder
- Managing access to a submission
- Submitting the application
- Electronic signature agreement
- Editing a submission
- Payment
- View submission
- Submission history
