The Arkansas Public Policy Panel ("Policy Panel") has announced that it will host the first annual Arkansas Environmental Policy Summit ("Summit") in Little Rock, Arkansas on September 9th.

The Policy Panel will hold the summit in partnership with the Arkansas Chapter of the Sierra Club and Audubon Arkansas at the Heifer International Headquarters.

The Policy Panel announcement states that the Summit will:

. . .bring together professionals and the public on current and pressing environmental policy issues.

The conference will include:

- Workshops/breakout sessions
- Keynote speaker
- Panel discussion

The Policy Panel states that the Summit's aim is to include "many different voices of the community to participate in a thoughtful discussion about what the environmental issues are and how they should be addressed".
