The Beautiful Buffalo River Action Committee ("Committee") has scheduled its third quarter meeting to be held July 27th at 1:00 p.m. at the Arkansas Department of Environmental Quality ("ADEQ").

ADEQ states that the agenda includes:

- Update on the Watershed Management Plan by the Arkansas Natural Resources Commission
- White River Waterkeeper Presentation
- Nature Conservancy of Arkansas Presentation

As noted in a previous post, Arkansas Governor Asa Hutchinson announced the formation of the Committee whose purpose is to establish an Arkansas-led approach to identify and address potential issues of concern in the Buffalo River Watershed through the development of a non-regulatory, watershed-based management plan.
