12/12/2017

The 2018 Arkansas Soil and Water Education Conference and Expo (“Conference”) will be held on January 31st.

The Conference will be held at the First National Bank Arena (formerly the Arkansas State University Convocation Center) in Jonesboro, Arkansas.

The Conference literature states that the agenda will address:

. . .the latest issues and trends in soil and water conservation.

Speakers are scheduled to include:

- Arkansas farmers and producers
- University researchers
- Industry representatives
- State and federal agencies

Scheduled session topics include technical information, policy perspectives, and implementing technology on the farm.

The Conference will include a vendor tradeshow.

A link to the conference website containing registration form and more information can be found here.
