The Arkansas Water Provider Legislative Task Force (“Task Force”) will hold a meeting on April 11th.

The meeting will be held at 10:00 a.m. in Room 151 of the Arkansas State Capitol.

The Task Force was created by Act 1056 during the 89th Arkansas General Assembly. The legislation declared a number of findings regarding the water utilities provision of water to State residents. Issues associated with areas served, ability to operate monopolies, importance of water supply to economic development, requirements to supply out-of-area customers and other matters were addressed.

The legislature mandated the creation of the Task Force to study a number of related issues and provide conclusions in a report to be submitted by January 1, 2019.

Items on the agenda include:

- Review of the history, deeds and background information regarding water systems and issues in Garland County/Hot Springs
- Discussion of complaints
