The Arkansas Water Provider Legislative Task Force has scheduled its next meeting for August 8th.

The meeting is scheduled to be held at the Beaver Water District Headquarters in Lowell, Arkansas.

The Beaver Water District Headquarters is located at 301 N. Primrose Road in Lowell. The meeting is scheduled to start at noon.

The Task Force was created by Act 1056 during the 89th Arkansas General Assembly. The legislation declared a number of findings regarding the water utilities provision of water to state residents. Issues associated with areas served, ability to operate monopolies, importance of water supplies to economic development, requirements to supply out-of-area customers, and other matters were addressed.

The legislature mandated the creation of the Task Force to study a number of related issues and provide conclusions in a report to be submitted by January 1, 2019.
