The Arkansas Department of Environmental Quality (“ADEQ”) announced in a June 7th news release that it will host a Webinar providing an update on progress made by the agency Permitting Guidance and Regulatory Streamlining workgroups.

The Webinar will be held from 2:00 to 4:00 p.m. on June 20th and is open to the public.

The referenced activities are a component of ADEQ’s EASE Collaborative. The agency states that the EASE Collaborative was:

. . . formed to allow interested Arkansans and ADEQ staff to work together to develop recommendations to streamline existing air regulations and establish permitting guidance to assist the regulated community.
