## Hazardous Waste Enforcement: Alabama Department of Environmental Management and a Glencoe, Alabama Commercial Hazardous Waste Treatment/Storage Facility Enter Into Consent Order

06/20/2019

The Alabama Department of Environmental Management (“ADEM”) and Clean Earth of Alabama, Inc. (“Clean Earth”) entered into a May 30 Consent Order (“CO”) addressing alleged violations of certain Alabama Hazardous Waste Management and Minimization Act regulations. See Consent Order No. 19-XXX-CHW.

The CO provides that Clean Earth operates a commercial hazardous waste treatment and storage facility under an Alabama Hazardous Waste Management and Minimization Act Hazardous Waste Facility Permit in Glencoe, Alabama.

The facility is described as a treatment and storage facility.

ADEM representative is stated to have conducted a compliance evaluation inspection of the Clean Earth facility on February 6, 2019. Alleged violations identified were stated to include:

- storage of hazardous waste in unpermitted area
- failure to maintain an intact impervious coating on a containment system

Clean Earth neither admits nor denies ADEM’s contentions.

A civil penalty of \$10,000 is assessed.
