The American Forest & Paper Association (“AFPA”) announced its *2019 Better Practices, Better Planet 2020 Sustainability Awards* on November 8th.

Domtar received the award for *Leadership in Sustainability – Sustainable Forest Management for Promoting Sustainable Forest Management for Landowners*.

Domtar’s facilities include one of the largest paper and fluff pulp producing mills in the world in Ashdown, Arkansas.

Other award winners included:

- *Leadership in Sustainability – Energy Efficiency/Greenhouse Gas Reduction (Large Company)*
Resolute Forest Products: Concrete Actions to Reduce Greenhouse Gas Emissions
- *Leadership in Sustainability – Energy Efficiency/Greenhouse Gas Reduction (Small Company)*
Seaman Paper Company of Massachusetts, Inc.: Let There Be (LED) Light
- *Leadership in Sustainability – Safety*
WestRock: Hopewell Recovery Boiler Life Changing Event Elimination Project
- *Leadership in Sustainability – Water*
Green Bay Packaging: Water Reduction Achievements at Green Bay Mill
- *Innovation in Sustainability*
WestRock: EnShield® Natural Kraft

The awards were announced at AFPA’s annual meeting in Bluffton, South Carolina.

Winners were stated to have been selected by sustainability experts from:

- The American Council for an Energy-Efficient Economy;
- The College of Natural Resources at North Carolina State University;
- GreenBlue;
- Quad Packaging;
- Two Sides; and
- The U.S. Department of Energy
