## Urban Stormwater/Overview of the Arkansas MS4 Program: Jane Maginot (Washington County Extension Agent) Beaver Watershed Alliance February 20th Presentation

02/03/2020

Ms. Jane Maginot will be undertaking a February 20th presentation as part of the Beaver Watershed Alliance 2020 Speaker Series titled:

*Urban Stormwater – An Overview of the Arkansas MS4 Program (“Presentation”)*

Ms. Maginot is a Washington County Extension Agent for water quality.

The *Presentation* will address:

- Nature of stormwater
- General overview of the Municipal Separate Storm Sewer Systems (MS4) for Arkansas

The *Presentation* is part of the ongoing Beaver Watershed Alliance Speaker Series titled:

*Investing in Water Supply Protection in NWA – Its good for business, agriculture, recreation, nature and you!*

The *Presentation* will be held in the Engineering Research Center in Fayetteville, Arkansas from 11:30 a.m. to 1:00 p.m. on February 20th.

The program is free but requires an RSVP.

The program is stated to be designed to provide information for:

- Developers and contractors
- Engineering and environmental professionals
- Land managers
- Elected officials
- Decision-makers
- Landowners

A brochure of the program, including RSVP information, can be downloaded [here](#).
