The Arkansas Chapter of the Solid Waste Association of North America (“SWANA”) has scheduled its 2020 annual Arkansas Solid Waste Conference (“Conference”).

The Conference will be held from April 7th – April 9th at the Holiday Inn Northwest Arkansas in Springdale, Arkansas.

The Arkansas Chapter of SWANA describes itself as bringing together professionals from all aspects of Arkansas’ solid waste industry. These are stated to range from equipment operators to Chief Executive Officers. The members are stated to:

... play a vital role in driving solid waste management to new heights of environmental protection, safety and efficiency.

Randy Thurman of Government Solutions, LLC and I will be undertaking a joint presentation at the Conference providing an update on various regulatory, judicial and legislative issues relevant to the solid waste management and recycling industries.

A full agenda will be forthcoming. A link including registration information can be found [here](#).
