Arkansas Environmental Federation Water/Land and Sustainability/Air Spring Seminars: Postponement/Rescheduling Announced Due to the Coronavirus

03/17/2020

The Arkansas Environmental Federation (“AEF”) has announced the postponement of its Annual Spring Seminars.

The AEF sponsors separate annual seminars each Spring addressing the following topics:

- Water (Clean Water Act and related programs and issues)
- Land and Sustainability (Solid waste, hazardous waste, recycling and sustainability issues)
- Air (Clean Air Act and related programs)

The seminars have been rescheduled, respectively for:

- Water – June 16th
- Land and Sustainability – June 17th
- Air – July 28th

The seminars will still be held at the Four Points Sheraton in Little Rock, Arkansas.

AEF states that the Convention is still scheduled for October 7-9 in Hot Springs.

Follow the AEF website at environmentark.org for updates.
