Illinois River Watershed Partnership/Online Learning Center: Commercial Low Impact Development/Rotational Grazing Webinars

04/28/2020

The Illinois River Watershed Partnership (“IRWP”) is continuing its Online Learning Center.

IRWP states that Week 3 will address:

- Commercial Low Impact Development
- Rotational Grazing

The Commercial Low Impact Development course will address best low impact development practices suited for the area. Topics addressed include:

- Green Solutions to Stormwater Runoff
- Green Stormwater Infrastructure
- Permeable Surfaces
- Rain Gardens and Bioswales
- Green Roofs

The Rotational Grazing discussion will address:

- Overview of Rotational Grazing
- Economics of Grazing
- Fencing
