The Beaver Watershed Alliance (“BWA”) announced it will be undertaking a webinar presentation addressing forest management.

The webinar will be held on Friday, August 28th, from 11:00 a.m. – 12:30 p.m.

The webinar is described as providing an “educational short class for landowners of forested lands.” The organization further states that:

This is a great opportunity to learn how YOU can improve YOUR forest to increase wildlife diversity, reduce stormwater issues, and improve the aesthetic appeal of your forests.

Scheduled speakers include:

- Raven Lawson, Watershed Protection Manager with Central Arkansas Water
- Chas McCoy, Watershed Specialist with the Nature Conservancy
- Hugh Lumpkin, Private Lands Biologist with the Arkansas Game and Fish Commission

The program is free and open to the general public. Registration and further information regarding the webinar can be found [here](#).
