Several organizations have collaborated to schedule a Zoom webinar on October 13th titled:

A Tale of Two Watersheds ("Presentation")

The Presentation is being organized by the following:

- Illinois River Watershed Partnership
- Beaver Watershed Alliance
- Northwest Arkansas Stormwater Education
- University of Arkansas, Division of Agriculture – Extension ("UAEX")

The organizations state they have developed:

... a different kind of watershed presentation than many of you may be used to! Learn about the history of our watersheds, the status of water quality impairments, and what you can do to improve water quality!

The Presentation will be held on October 13th from 11:30 a.m. – 1:00 p.m.
