Environmental Awards: Arkansas Department of Energy and Environment - Division of Environmental Quality Announces Finalists for ENVY, TECHe, E2 and E&E Quest Science Awards

11/02/2020

The Arkansas Department of Energy and Environment (“E&E”) has announced the finalists for the 2020 Arkansas Energy and Environment Awards.

E&E describes the ENVY Award as recognizing:

. . . a major effort by an individual organization to enhance and protect Arkansas’s natural resources through sustainability programs and commitments to stewardship of the environment.

The TECHe Award is stated to recognize:

. . . the advances or innovative use of technology that breaks new ground in protecting resources or improving the environment by going beyond traditional environmental control measure, approaches or outcomes.

The E² Award is stated to recognize:

. . . organizations that demonstrate outstanding leadership by implementing forward-thinking initiatives in areas of energy efficiency and resiliency.

This is the second year that the E&E Quest Science Award will be presented. E&E has stated that this award:

. . . showcases the next generation’s quest for advancements in environmental protection and sustainable energy.

The ENVY Award finalists include:

- Union County Water Conservation Board;
- City of Fayetteville; and
- Entergy Arkansas

The 2020 TECHe Award finalists are:

- Indigo Agriculture,
- Anheuser-Busch and Dagan;
- Flywheel Energy; and
- Ozark Electric Cooperative

The 2020 E² Award finalists include:

- Stratton Seed Company;
- Southern Arkansas University Technical College; and
- Clarksville Connected Utilities

The E&E Quest Science Award has been awarded to:

- Surabhee Eswaran and Little Rock Central High School
