The Beaver Watershed Alliance (“BWA”) is presenting a webinar on February 18th titled:

Innovative Funding Mechanisms for Conservation and Restoration Projects (“Webinar”)

The Webinar is part of BWA’s Speaker Series titled:

Investing in Water Supply Protection in NWA

The Webinar speakers will include:

- Jeff Lerner - Senior Advisor/Consultant, The U.S. Endowment for Forestry and Communities & Healthy Watersheds Consortium
- Allison Souders - United States Environmental Protection Agency Clean Water State Revolving Fund
- Debby Dickson – Program Fiscal Manager, Arkansas Department of Agriculture, Natural Resources Division

BWA states that the purpose of the Webinar is to:

. . . open a dialogue on leveraging state and federal programs to fund large-scale conservation and restoration projects, including land conservation and river restoration while protecting the natural resources that sustain source water drinking supplies.
