The United States Environmental Protection Agency (“EPA”) announced its annual ENERGY STAR awards.

e3 Solutions (“e3”) in Conway, Arkansas, was named as a “Partner of the Year.”

e3 was named as a Home Performance, Contractor of the Year.

EPA describes the ENERGY STAR awards as honoring businesses and organizations that have made outstanding contributions to protecting the environment through superior energy efficiency achievements and other means.

EPA Regional Administrator David Gray is quoted in the agency’s news release as stating:

The diligent work of the 2021 ENERGY STAR award winners is remarkable . . . During these challenging times, these leaders have developed cost saving methods, advanced energy efficiency and environmental protection.
