The Illinois River Watershed Partnership (“IRWP”) has scheduled a webinar titled:

We All Live Downstream: Stormwater Management for Land Use Professionals (“Webinar”)

The Webinar will be held on May 6th at 1:00 p.m. via Zoom.

The Webinar is described as a “A Learning Session” for:

- Developers
- City and Municipal Staff
- City Councils
- Architects
- Civil + Stormwater Engineers
- Interested Public

The goal of the Webinar is described as:

. . . to better understand how urban land-use policies and activities affect our water resources as well as the homes and livelihoods of our neighbors downstream.

Speakers include:

- Ali Thurmond Quinlan, AIA, RLA, LEED AP
- Marson Nance, CLM
- Brenda Macke, Burns & McDonnell, PE, CFM
- Andy Sauer, P.E., ENV SP

Various continuing education units for professional development hours are stated to be available.
