The Arkansas Water Resources Center (“AWRC”) announced in an August 11th notice it is inviting:

... pre-proposals for research projects that address critical water needs in Arkansas.

The funding opportunity is stated to be provided as part of the United States Geological Survey (“USGS”) 104(b) Grant Program.

AWRC states it is soliciting two different types of pre-proposals:

1. Faculty Research Proposals
2. Student Research Proposals with a Faculty Advisor

While funding is contingent upon USGS funds being provided, it anticipates funding for:

1. Faculty researchers up to \$35,000
2. Student researchers up to \$10,000

The AWRC announcement addresses issues such as:

- Eligibility
- Type of Pre-Proposals
- Funding and Match Requirements
- AWRC 104(b) Program Objectives
- Research Areas of Particular Interest
- Project Reporting Requirements
- Pre-Proposal Requirements

Submissions are required to be submitted by September 10, 2021, at 5:00 p.m. CST.
