The Arkansas Pollution Control and Ecology Commission (“Commission”) is the environmental policy-making body for Arkansas.

The Commission, with certain exceptions, meets on a monthly basis.

The Commission has canceled the Friday, April 22nd meeting. Due to having only one item to vote on, a request to approve Heath Ward as a member of the Wastewater Licensing Committee, the Chair and staff decided to cancel the meeting since the approval is not exigent.

The next Commission meeting is set for Thursday, May 26th.
