Arkansas Waste Diversion/Recycling Companies: Lakeshore Recycling Systems announces acquisition of Arkansas Operation

The publication Waste Today reported that Lakeside Recycling Systems ("LRS") acquired a regional waste services provider based in Little Rock, Arkansas.

The company acquired is Bulldog Disposal.

LRS describes itself as the Midwest's leading independent waste diversion, recycling, and portable services provider.

Bulldog Disposal's service areas are stated in the article to include:

- *Little Rock
- *North Little Rock
- *Benton
- *Sheridan
- *Jacksonville
- *Conway
- *Sherwood
- *Bryant

The Waste Today article is authored by Alex Kamczyc.
