The Arkansas Department of Energy & Environment – Division of Environmental Quality Arkansas Energy Office (“AEO”) announced four hybrid/electric vehicle courses that will be held in North Little Rock this week.

AEO notes that ERSCA will be holding the following classes:

Wednesday

January 11 @ 8:00 am - 5:00 pm

[West Arkansas Hybrid/Electric Vehicle Operations Course with ERSCA – Little Rock, AR](#) - Information

[West North Little Rock - Operations Level Course - January 11, 2023 \(jotform.com\)](#) – Registration

Arkansas Transit Association 620 W Broadway St, North Little Rock, AR

Thursday

January 12 @ 8:00 am - 5:00 pm

[East Arkansas Hybrid/Electric Vehicle Operations Course with ERSCA – Little Rock, AR](#) – Information

[East North Little Rock - Operations Level Course - January 12, 2023 \(jotform.com\)](#) – Registration

Arkansas Transit Association 620 W Broadway St, North Little Rock, AR

The courses are described as interactive and intended to provide:

. . . emergency responders, tow and recovery professionals with an in-depth understanding of Federal Standards and Guidelines and the critical knowledge, skills, and abilities to safely interact with hybrid and electric vehicles at an operational level.

See the links above for information and registration.
