The Arkansas Abandoned Pesticide Advisory Board (“Board”) is scheduled to meet on January 26th.

The meeting will be held at 1:30 at the Arkansas Department of Agriculture, 1 Natural Resources Drive in Little Rock.

The Arkansas Department of Agriculture describes the Arkansas Abandoned Pesticide program as a method for farmers to safely and properly dispose of old or unwanted pesticides. State statutory authority for the Board is found in Ark. Code Ann. 8-7-1204.

The Board consists of six members which include:

- Representative from the Arkansas Farm Bureau Federation
- Representative from the Arkansas Natural Resources Commission
- Representative from the University Cooperative Extension Service
- Representative from the Arkansas Department of Energy & Environment – Division of Environmental Quality
- Representative from the United States Natural Resources Conservation Service
- Representative from the Arkansas Department of Agriculture

The Board selects 10 counties per year with the goal of holding at least one pesticide collection event in every county in Arkansas.
