As previously noted in [April 18th](#) and [April 19th](#) blog posts, the Mayor of Tontitown and certain individuals filed separate (two) Requests for Adjudicatory Hearing and Commission Review (collectively “Petition”) before the Arkansas Pollution Control & Ecology Commission (“Commission”) challenging the Arkansas Department of Energy & Environment – Division of Environmental Quality’s (“DEQ”) issuance of a permit for the Eco-Vista Landfill (“Eco-Vista”). See Docket No. 23-0008-P and 23-009-P.

The permit has been described as involving the expansion of Eco-Vista, which is located near the City of Tontitown, Washington County, Arkansas. DEQ and Eco-Vista filed Motions to Dismiss the Petitions to which responses were filed.
