The annual Arkansas Water Resources Conference ("Conference") has been scheduled for July 18th-20th in Fayetteville, Arkansas.

The full Conference agenda has been issued.

The Conference will be held in the Don Tyson Center for Agricultural Sciences.

The session themes include:

- Water Research and Nonpoint Source Program (Day 1 – July 18)
- Statewide Topics (Day 2 – July 19)
- Local/Small-Scale Watershed Focus (Day 3 – July 20)

Various outdoor recreation options are provided.

Partners identified as participating in the Conference include:

- Arkansas Water Resources Center
- Arkansas Forests & Drinking Water Collaborative
- Beaver Watershed Alliance
- University of Arkansas Division of Agriculture Research & Extension
- Arkansas Department of Agriculture
- Illinois River Watershed Partnership

The Conference will also include workshops and field tours and is approved for up to 20 contact hours for directly applicable water license training credit.
