Audubon Delta announced that the 8th Annual Arkansas Environmental Policy Summit (“Summit”) will be held on November 16th.

The Summit will be held at Worsham Hall at Hendrix College in Conway, Arkansas.

The Summit is described as:

... a one-day event to bring together activists, regulators, elected officials, students, academics, experts, and others to discuss our state’s most pressing environmental issues.

Further, the Summit is projected to include debate and education with a “wide array of diverse perspectives presented.”

Sponsors of the Summit include:

- Arkansas Climate League
- Arkansas Interfaith Power & Light
- Arkansas Public Policy Panel
- Audubon Delta
- Arkansas Natural Sky Association
- Sierra Club
- Zero Hour

An agenda will be forthcoming in the future.
