The Arkansas Environmental Federation (“AEF”) has scheduled the Sustainable Arkansas Summit (“Summit”) which will be held on March 14.

The Summit will be held at the 4H Center in Little Rock, Arkansas.

The stated focus of the Summit is:

...regulatory compliance that comes with sustainability initiatives.

AEF states that the Summit will include industry leaders, innovators, and sustainability enthusiasts to explore the latest trends, advancements, and compliance.

This is stated to include the ability to:

...learn about the best practices in developing sustainability programs and how the landscape of environmental, social, and governance (ESG) reporting is changing how we do business in Arkansas.

The scheduled presentations include:

- Energy battery storage
- William Cunningham, Entergy Services, LLC.
- MidSouth Boilers
- Dave Mille and Sean Chaplin, Midsouth Boilers
- Summit Peaks Renewable Projects
- Jonathan Tang-Kong, Renewable Project Development and Ezra Flint
- Climate Smart Commodities
- Justin Ransom, Senior Director of Sustainability and Global Impact, Tyson
- Practical Solutions For Cleaning Water
- Dynamic Water, Rick Salz, Michael Boyko
- Securities and Exchange Commission Update
- Stuart Spencer, Tyson, and Will Montgomery, Wal-Mart
