Alliance Technical Group (“ATG”) announced that Lisa A. Boyle joined the Firm as a Project Manager and Senior Environmental Scientist in its Bryant, Arkansas office.

Lisa was previously serving as the Evaluation Branch Chief in the Regulatory Division in the Little Rock District of the United States Army Corps of Engineers (“Corps”).

Lisa had served in the Corps’ Little Rock District from 2009 to 2020. Her prior Corps positions included:

- Regulatory Project Manager
- GIS/ORM II Specialist

Prior to her service at the Corps, employment included:

- Wetland Consultants, Inc.
- Wetlands Scientist and GIS/GPS Specialist
- United States Geological Survey, New Mexico Water Science Center
- Hydrologist
- University of Central Arkansas, Biology Department
- Research Assistant

Lisa’s academic background includes:

- University of Central Arkansas
- 24 Semester Hours M.S. Geographics Information Systems
- University of Central Arkansas
- B.S. Environmental Science – Biology

ATG indicates that her work in the organization will include 404/408/10 consulting services.
