Northwest Arkansas Land Trust/Ozark Natural Science Center: Partnership Announced to Enhance Educational Opportunities at the Kessler Mountain Nature Center

08/06/2024

The Northwest Arkansas Land Trust (“Trust”) issued an August 5th news release stating that it had entered into a partnership with the Ozark Natural Science Center (“Center”).

The stated purpose of the partnership is to enhance educational opportunities at the Kessler Mountain Nature Center and Outdoor Classroom (“Kessler”).

The Trust news release states that the partnership:

...aligns with the missions of both organizations to foster a deeper appreciation and stewardships of the natural environment in Northwest Arkansas.

Responsibilities will be allocated as follows:

- Center will assume the lead on educational programming at Kessler.
- Trust will focus on its core mission of land conservation.
