

FEDERAL ENDANGERED SPECIES ACT 38TH BIRTHDAY

Arkansas Environmental, Energy, and Water Law Blog

12/30/2011 Author: [Walter G. Wright](#) The Endangered Species Act recently celebrated its 38th birthday. The national environmental group Defenders of Wildlife has an interesting discussion of the statute on its blog. The discussion includes various statistics regarding the retention of various species. A link to the blog post can be found below. <http://www.defendersblog.org/>
