Arkansas Environmental, Energy, and Water Law Blog

02/08/2017

The Beaver Watershed Alliance (“BWA”) announced that Brian Teague of Community by Design will undertake a presentation about:

...the latest information regarding water quality protection efforts that maintain a high quality of life and will provide a practical approach to balance the goals of conservation and development for future growth of our area.

Mr. Teague’s firm is described as a “full service multidisciplinary urban design firm in Northwest Arkansas.”

This presentation is part of the BWA’s speaker series titled Investing in Water Supply Protection.

The workshop is scheduled for February 23rd from 11:30 a.m. to 1:00 p.m. at the Elkins Community Center in Elkins, Arkansas.
