M.M. "Branch" Satterfield of Conway, Arkansas's Satterfield Fuels, was one of seven individuals or entities named an Arkansas Blue Diamond awardee.

Mr. Satterfield is a member of the Arkansas Oil Marketers Association Board of Directors.

Arkansas Clean Cities Coalition recently presented the 2017 Blue Diamond Awards. They are presented to persons or entities that have been instrumental in the development and implementation of compressed natural gas in Arkansas.

Mr. Satterfield is President of Satterfield Fuels. The company opened in 2015 Conway's first compressed natural gas fueling facility. More than 10 fleets currently use the facility as well as a number of individuals.

The other Blue Diamond Awardees included:

- City of Conway
- Ray Talley, Crain Automotive
- Mike Callan, formerly of Oklahoma Gas
- Rod Krug and Rush Krug, Krug Energy
- Barry Rowton, Falcon CNG/Cenergy Solutions
