07/06/2017

The Arkansas Water Resources Center (“Center”) announced that its annual Watersheds and Research Conference (“Conference”) will be held July 25-26.

The Conference will be held in Fayetteville, Arkansas.

The Conference focuses on water resource problems and solutions.

The Conference is typically attended by:

- Researchers
- Students
- Consulting firms
- Utilities
- Watershed Groups
- State agencies
- Anyone interested in water resources

The Center is located at the University of Arkansas in Fayetteville and is part of a network of 54 water institutes.

The last day to register for the conference is July 18. Those who register by this date will receive a FREE conference t-shirt.

A link to the Center website can be found here.
