Arkansas Department of Environmental Quality Office of Operations and Outreach (Regional Services Branch): Compliance Assistance Training Workshops to be Scheduled

07/17/2017

The Regional Services Branch of the Office of Operations and Outreach at the Arkansas Department of Environmental Quality (“ADEQ”) announced that it is “in the process of scheduling compliance assistance training workshops and webinars for Arkansas’s regulated community.”

ADEQ Regional Services Coordinator Ann Blake is spearheading an effort to alert the regulated community in Arkansas to upcoming training opportunities.

Ms. Blake stated that notifications about all upcoming training sessions (as they are scheduled) can be obtained by subscribing to the Regional Services email listing. This listing is found at <https://www.adeg.state.ar.us/poa/pi/emaillists.aspx>.

Ms. Blake also indicated that she can provide additional information or answer questions regarding the upcoming training opportunities. She may be reached at blake@adeq.state.ar.us or 501-682-0827.
