09/05/2017

The Arkansas Advanced Energy Association (“AAEA”) will hold its 6th Annual Meeting & Policy Conference (“Conference”) on October 10th in Little Rock, Arkansas.

The title of the Conference is:

emPOWERing Arkansas 2017

AAEA states that the Conference will include:

. . . advanced energy business leaders and educators, policy makers, regulators, and power industry representatives. . .

The focus of the Conference will include the examination of trends in the advanced energy industry and prospects for future development.

The Conference’s keynote speaker is Arkansas Public Service Commission Chairman Ted J. Thomas. The focus of his presentation will be the trends and challenges facing the United States’ energy system and its impact on Arkansas’ advanced energy industry.

The Conference will be held from 8:30 a.m. to 1:30 p.m. at the Embassy Suites.
