The Water Provider Legislative Task Force (“Task Force”) has scheduled a meeting for May 9th.

The meeting will be held in Room 151 of the State Capitol.

The Task Force was created by Act 1056 during the 89th Arkansas General Assembly. The legislation declared a number of findings regarding the water utilities provision of water to state residents. Issues associated with areas served, ability to operate monopolies, importance of water supply to economic development, requirements to supply out-of-area customers and other matters were addressed.

The meeting notice issued by the Arkansas Bureau of Legislative Research indicates that meeting topics are still being developed and an agenda will be subsequently issued.
