05/24/2018

The Arkansas Water Resources Center (“Center”) will hold its annual water conference on July 23-24 in Fayetteville, Arkansas.

The theme of the conference is:

*The Value of Water*

The programs include presentations from industry, academia, government agencies and non-profit personnel. The focus of the agenda is regional and includes speakers from:

- Arkansas
- Oklahoma
- Louisiana
- Mississippi

The conference sessions include:

- What is the Value of Water?
- Microbial Response to Water Quality
- Ecosystem Services
- Water Quality in the Buffalo River Watershed
- Water Needs in Agriculture
- Aquifer Water Quality and Quantity
- The Value of Citizen Science Programs in Watershed Water Quality Management
