06/05/2018

The Arkansas Environmental Federation will be holding their annual Health & Safety Seminar (“Seminar”) on July 12th.

The seminar will be held at the Arkansas Electric Cooperative Corporation’s Board Room at 1 Cooperative Way in Little Rock, Arkansas.

Trena Adair (Harbor Environmental) and Kelly Bryant (Clearwater Paper) are serving as co-chairs of the seminar.

The seminar will provide updates of new and/or pending OSHA regulations, along with information addressing safety program development, workers’ compensation, and IH technologies.

The seminar should be of interest to:

- Safety and health managers
- Plant managers
- Supervisors
- Maintenance and environmental managers
- Safety committees
- HR professionals
- State and local regulatory professionals
- Local government officials

My law partner Ben Brenner and I will undertake a presentation titled:

Medical Marijuana Update and Impacts to Businesses

Additional seminar topics will include:

- OSHA Update

Carlos Reynolds, OSHA Area Director for U.S. Department of Labor

- Safety Culture – “What Really Works”

Tommy Short, CSP, Sunbelt Rentals

- Safety Management Systems (ISO 45001)

Cathy Webb, Senior Project Manager, Harbor Environmental

- Transition from OSHA'S to ISO 45001 – Occupational Health and Safety Standard

Cathy Webb, Senior Project Manager, Harbor Environmental

- New Technologies in Industrial Hygiene – Video Exposure Monitoring

Brett Tarkington, CIH, GHD

- Arkansas Workers' Compensation – Helping Prevention of Opioid Abuse

Pat Hannah, AR Workers' Compensation Commission

Additional information regarding the seminar and registration can be found in the [attached flyer](#).
