## Arkansas Department Request for Qualifications for Professional Services: Site Assessment, Remedial Investigations, Remedial and Corrective Design and Oversight

06/20/2018

The Arkansas Department of Environmental Quality (“ADEQ”) Office of Land Resources has issued a:

*Notice of Intent to Issue a Request for Qualifications (RFQ) for Professional Services for Site Assessment, Remedial Investigations, Remedial and Corrective Design and Oversight*

See 930-RFQ-1802.

ADEQ states that responses received to the RFQ will be used to screen prospective consultants and select finalists for interviews in accordance with the Arkansas Department of Finance and Administrative Division of Building Authority Minimum Standards and Criteria. The agency further states that selected finalists will be required to conduct oral presentations and answer questions concerning technical performance and capabilities.

RFQ packages are stated to be available June 10th through July 13th and written responses must be received by 4:00 p.m. July 13th.
