C & H Hog Farms, Inc. (Newton County, Arkansas): Arkansas Pollution Control and Ecology Commission Administrative Law Judge Recommended Decision (Update – Upheld) -CORRECTION

07/30/2018

The post Friday regarding the Arkansas Pollution Control and Ecology Commission (“Commission”) consideration on C & H Hog Farms, Inc.’s issues contained an [error](#) ([see link to previous post](#)).

The Arkansas Pollution Control and Ecology Commission did uphold a Recommended Decision by Administrative Law Judge (“ALJ”) Charles Moulton regarding C & H Hog Farms, Inc.

The post, however, referred to the wrong Recommended Decision. The Commission upheld Order No. 1 in which the ALJ:

1. Denies C & H’s Motion for Summary Judgment on its Request for Declaratory Order; and
2. Finds that there are no genuine material facts in dispute and, based on the law grants Interveners’ Motion for Summary Judgment on C & H’s Request for Declaratory Order.

A copy of the [Minute Order](#) upholding the ALJ on this issue can be found here.
