08/23/2018

The Beaver Watershed Alliance announced that the Beaver Watershed Annual Symposium (“Symposium”) will be held on September 20th in Greenland, Arkansas.

The organization states the presentations will include national, state and local perspectives on dam removal and river restoration.

The day-long symposium will include:

- Feature presentations
- Poster session
- Free lunch
- Field trip to a local proposed project

The Symposium will be held at the Greenland Community Building, 170 N. Letitia Avenue, Fayetteville, Arkansas.

The Symposium is free but RSVP is required.

A [brochure](#) can be downloaded here containing RSVP information.
