11/20/2018

The Beaver Watershed Alliance (“BWA”) announced that Alan Pugh will undertake a presentation on November 29th addressing:

Study for Flood Management & Water Quality Funding for the City of Fayetteville (“Presentation”)

Mr. Pugh serves as Staff Engineer and Floodplain Administrator for the City of Fayetteville, Arkansas.

The Presentation will be undertaken at the Fayetteville Westside Wastewater Treatment Plant from 11:30 a.m. to 1:00 p.m. BWA states that the Presentation will feature:

. . . the current studies being conducted by the City of Fayetteville and Jacobs Group to assess the options for sustainable funding for stormwater management, flood reduction and improved water quality for the City of Fayetteville.

A free lunch will be provided.

Further, the program is free and registration can be undertaken by calling BWA at 750-8007 or email at info@beaverwatershedalliance.org.
