

Forest Management Workshop

November 2

9 am - 12 pm

**Hobbs State Park
Visitor Center
Rogers, AR**

An old Post Oak savanna in Maumelle, AR which has been managed by prescribed fires for decades. These trees are 150 years old on average and this location has some of the highest populations of Bobwhite Quail in the state.

Speakers with the US Army Corps of Engineers, Arkansas Forestry Association, and Hobbs State Park will talk about:

- *best-management practices for forestry health,*
- *managing private lands around US Army Corp of Engineers easements,*
- *opportunities for managing private timber stands, and*
- *finish up with a short walk on the Ozark Plateau Trail.*

**US Army Corps
of Engineers®**

This program is free to attend and lunch will be sponsored by the Arkansas Forestry Association Education Foundation.
