LIS No. 24-155

GEORGIA-PACIFIC WOOD PRODUCTS, LLC
#1 GEORGIA-PACIFIC ROAD
FORDYCE, ARKANSAS 71742

CONSENT ADMINISTRATIVE ORDER

This Consent Administrative Order (CAO) is issued pursuant to the authority delegated under the federal Clean Air Act, 42 U.S.C. § 7401 *et seq.*, and the federal regulations issued thereunder. In addition, this CAO is issued pursuant to the authority of the Arkansas Water and Air Pollution Control Act (the Act), Ark. Code Ann. § 8-4-101 *et seq.*, Arkansas Pollution Control and Ecology Commission (APC&EC) Rule 7, APC&EC Rule 8, APC&EC Rule 18, APC&EC Rule 19, and APC&EC Rule 26.

The issues herein having been settled by agreement of Georgia-Pacific Wood Products, LLC (Respondent) and the Director of the Division of Environmental Quality (DEQ), it is hereby agreed and stipulated that the following FINDINGS OF FACT and ORDER AND AGREEMENT be entered.

FINDINGS OF FACT

1. Respondent owns and operates an oriented strand board plant located at #1 Georgia-Pacific Road in Fordyce, Calhoun County, Arkansas.
2. There are four Air Permits referenced in this CAO. 1803-AOP-R22 (Permit R22) was issued on April 14, 2021, and voided on December 28, 2021. 1803-AOP-R23 (Permit R23) was issued on December 28, 2021, and voided on April 7, 2023. 1803-AOP-R24 (Permit R24) was

issued on April 7, 2023, and voided on November 13, 2023. 1803-AOP-R25 (Permit R25) was issued on November 13, 2023.

3. Ark. Code Ann. § 8-4-217(a)(3) provides:

(a) It shall be unlawful for any person to:

...

(3) Violate any provisions of this chapter or of any rule or order adopted by the Arkansas Pollution Control and Ecology Commission under this chapter or of a permit issued under this chapter by DEQ;

4. Ark. Code Ann. § 8-4-103(c)(1)(A) provides, “Any person that violates any provision of this chapter and rules, permits, or plans issued pursuant to this chapter may be assessed an administrative civil penalty not to exceed ten thousand dollars (\$10,000) per violation.”

5. Pursuant to Ark. Code Ann. § 8-4-103(c)(1)(B) as referenced by Ark. Code Ann. § 8-4-304, “Each day of a continuing violation may be deemed a separate violation for purposes of penalty assessment.”

6. On February 6, 2024, DEQ personnel conducted a routine compliance inspection of Respondent’s facility. The reporting period for the inspection was October 1, 2021, through December 31, 2023.

7. Specific Condition 68 of Permits R22 and R23 and Specific Condition 69 of Permits R24 and R25 states the VOC content of the paint/ink used at the Stencil/Nail Line/Marking/Logo/Edge/Seal Application (SN-11) shall be no more than 0.31 lb/gal of VOC.

8. During the inspection, it was discovered that Respondent exceeded the permitted 0.31 lb/gal of VOC content in the paint/ink used at SN-11 during the entire reporting period. Records reviewed during the inspection indicated that Respondent used a paint/ink product, SI-60LF Black Light Fast Ink, which contained 1.60 lb/gal of VOC. Such an act violates Specific Condition 68 of Permits R22 and 23 and Specific Condition 69 of Permits R24 and R25 and therefore violates Ark.

Code Ann. § 8-4-217(a)(3) as referenced by Ark. Code Ann. § 8-4-304.

9. In correspondence dated March 8, 2024, DEQ personnel informed Respondent of the violation found during the inspection.

10. In correspondence dated April 1, 2024, Respondent stated that upon identification of the paint/ink product, Respondent reached out to the vendor to confirm the VOC content. Once it was confirmed that the VOC content exceeded the permitted content limit, Respondent ceased use of the product.

11. In correspondence dated April 15, 2024, DEQ informed Respondent that formal enforcement action was proceeding regarding this matter.

ORDER AND AGREEMENT

WHEREFORE, Respondent, neither admitting nor denying the factual and legal allegations contained in this CAO, and DEQ do hereby agree and stipulate as follows:

1. This CAO addresses all violations in the FINDINGS OF FACT.
2. In compromise and full settlement of the violations specified in the FINDINGS OF FACT, Respondent agrees to pay a civil penalty of **FOUR THOUSAND THREE HUNDRED TWENTY DOLLARS (\$4,320.00)**. Payment is due within thirty (30) calendar days after the effective date of this CAO. Such payment shall be made payable to:

DEQ, Fiscal Services
5301 Northshore Drive
North Little Rock, Arkansas 72118-5317.

In the event that Respondent fails to pay the civil penalty within the prescribed time, DEQ shall be entitled to attorneys' fees and costs associated with collection.

3. All applicable submissions required by this CAO are subject to approval by DEQ. In

the event of any deficiency, Respondent shall, within fifteen (15) calendar days of notification by DEQ, submit any additional information requested. Failure to respond adequately to the notice of deficiency within fifteen (15) calendar days constitutes a failure to meet a deadline and is subject to the civil penalties established in the following Paragraph.

4. Failure to meet the limits, requirements, or deadlines of this CAO or the applicable approved schedules provided for herein constitutes a violation of this CAO. If Respondent fails to meet any limits, requirements, or deadlines, Respondent shall pay, on demand, to DEQ civil penalties according to the following schedule:

- | | |
|--|----------------|
| (a) First day through the fourteenth day: | \$100 per day |
| (b) Fifteenth day through the thirtieth day: | \$500 per day |
| (c) More than thirty days: | \$1000 per day |

Stipulated penalties shall be paid within thirty (30) calendar days of receipt of DEQ's demand to Respondent for such penalties. These stipulated penalties may be imposed for delay in scheduled performance and shall be in addition to any other remedies or sanctions that may be available to DEQ by reason of Respondent's failure to comply with the requirements of this CAO. DEQ reserves its rights to collect other penalties and fines pursuant to its enforcement authority in lieu of the stipulated penalties set forth above.

5. If any event, including, but not limited to, an occurrence of nature, causes or may cause a delay in the achievement of compliance by Respondent with the requirements or deadlines of this CAO, Respondent shall notify DEQ in writing as soon as reasonably possible after it is apparent that a delay will result, but in no case after the due dates have passed. The notification shall describe in detail the anticipated length of the delay, the precise cause of the delay, the measures being taken and to be taken to minimize the delay, and the timetable by which those measures will be implemented.

6. DEQ may grant an extension of any provision of this CAO, provided that Respondent requests such an extension in writing and provided that the delay or anticipated delay has or will be caused by circumstances beyond the control of and without the fault of Respondent. The time for performance may be extended for a reasonable period, but in no event longer than the period of delay resulting from such circumstances. The burden of proving that any delay is caused by circumstances beyond the control of and without the fault of Respondent and the length of the delay attributable to such circumstances shall rest with Respondent. Failure to notify DEQ promptly, as provided in the previous Paragraph of the ORDER AND AGREEMENT, shall be grounds for a denial of an extension.

7. This CAO is subject to public review and comment in accordance with Ark. Code Ann. § 8-4-103(d), and therefore is not effective until thirty (30) calendar days after public notice of the CAO is given. DEQ retains the right and discretion to rescind this CAO based on comments received within the thirty (30) day public comment period.

8. As provided by APC&EC Rule 8, this matter is subject to being reopened upon Commission initiative or in the event a petition to set aside this CAO is granted by the Commission.

9. Nothing contained in this CAO shall relieve Respondent of any obligations imposed by any other applicable local, state, or federal laws. Except as specifically provided herein, nothing contained in this CAO shall be deemed in any way to relieve Respondent of responsibilities contained in the permit.

10. Nothing in this CAO shall be construed as a waiver by DEQ of its enforcement authority over alleged violations not specifically addressed herein. In addition, this CAO neither exonerates Respondent from any past, present, or future conduct that is not expressly addressed herein, nor relieves Respondent of the responsibilities for obtaining any necessary permits.

11. By virtue of the signature appearing below, the individual represents that he or she is a Managing Member of Respondent, being duly authorized to execute and bind Respondent to the terms contained herein. Execution of this CAO by an individual other than a Managing Member of Respondent shall be accompanied by a resolution granting signature authority to that individual as duly ratified by the governing body of the entity.

SO ORDERED THIS 12 DAY OF November, 2024.
