emPOWERing Arkansas 2019:

AAEA's 8th Annual Meeting & Policy Conference

Tuesday, October 8, 2019

10:00 a.m. – 4:00 p.m.

Heifer International, 1 World Avenue, Little Rock

The **Arkansas Advanced Energy Association** invites you to join advanced energy leaders and policy makers from across the state and region for AAEA's 8th annual meeting and policy conference. **emPOWERing Arkansas 2019** will bring together advanced energy business leaders, utility executives, policy makers and regulators, and other industry stakeholders to examine the critical advanced energy policy issues facing our state today, and to recognize innovative industry leaders with the Arkansas Advanced Energy Awards.
