**THURSDAY, SEPT. 20, 2018**

Greenland Community Building

Fayetteville, AR

**BEAVER LAKE  
WATERSHED  
SYMPOSIUM**

*Dam Removal & River Restoration*

## Beaver Watershed Annual Symposium to be held on Thursday, September 20, 2018.

This year's presentations will include national, state and local perspectives on dam removal and river restoration. We are thrilled to partner with American Rivers, Arkansas Natural Heritage Commission, Southeast Aquatic Resources Partnership, Arkansas Water Resources Center and local agencies to bring you education and awareness of this trend happening across the country, regionally and in the Beaver Lake watershed.

The day-long symposium will feature presentations, a poster session, free lunch and a field trip to a local proposed project. Thank you to the City of Greenland for the Symposium venue, located at the Greenland Community Building, 170 N Letitia Ave, Fayetteville, AR. There is no cost to attend, but RSVP is required. Please call 479-750-8007 or email [info@beaverwatershedalliance.org](mailto:info@beaverwatershedalliance.org) if you would like to attend the 2018 Beaver Lake Watershed Symposium.

## About Beaver Watershed Alliance

BWA was formed in 2011 to proactively protect, maintain, and enhance the water quality of Beaver Lake and the integrity of its watershed through outreach and education, voluntary best management practice implementation, and scientific investigation. BWA represents a diverse stakeholder group from conservation, education, water utilities, technical and science, agriculture, recreation, business, and local government groups working together for the goal of clean water.

Your financial contribution will help BWA fulfill our mission to proactively protect, maintain, and enhance the water quality of Beaver Lake and the integrity of its watershed through outreach and education, voluntary best management practice implementation, and scientific investigation.
